

## The Agenda for the 3/21/24 Meeting of the Renewable Energy Task Force

The agenda will include:

- A discussion and decision about creating an informational website to provide our residents with transparency regarding the establishment of a Temple Community Power Plan and offer a place for Q & A about its process and operations.
- A discussion about separating the RETF from the CP Aggregation Committee.
- Determining the legal and other next steps in the manifestation of the Community Power Plan.
